- To enrich and enhance the technical excellence of the students
- To provide students a fun filled learning experience
- To provide a platform for inert-college student interaction related to G-20

Event Report

CYNET, the Annual IT Fest was organized by Department of Information technology, JIMS, Vasant Kunj on 28th April 2023. The event aimed to enrich and enhance the technical excellence of the students.

The event started with the welcome address by Dr. Ravi K. Dhar, Director JIMS, Vasant Kunj followed by encouraging speech by guest of honour Mr. Dipinder Sekhon, CEO, KritiKal Solutions.

Dr. Meenakshi Narula, Head, Department if Information Technology, elaborated the audience about CYNET & its events and declared CYNET -2023 open.

The seven technical events of CYNET-2023 were as follows:

1. Innovision 4.0: An innovative idea competition that brings together students from various fields of study to showcase their technical and business skills.
2. Khoj-E-Khas: The participants should have good thinking capability and they should be quick enough to figure out the clues given in the form of the riddles.
3. GameXtreme: The gaming event will include Valorant, BGMI and Tekken with a diverse range of gaming experiences for players.
4. InquizzIT: The IT quiz event involves numerous questions in multiple rounds like rapid fire round, buzzer round etc. It cover a wide range of IT-related topics, such as computer hardware,G-20, current affairs, Indian start-ups, Innovations etc.
5. Bug-Byte League: The perfect platform to show off your problem solving skills though blind coding.
6. Designers hub: It provides you the platform to express and expose your skills along with the touch of productive ideas via Website Development
7. The Reels Genius: A reel-making event will involve students producing short videos or films on a specific theme or topic over a set period of time.

Students from around 29 colleges from different universities like Netaji Subhas University of Technology, Delhi Technological University, Amity University, South Asian University, Delhi University and Guru Gobind Singh Indraprastha University, participated in various technical events of CYNET with full enthusiasm and exhibited team spirit.

The event concluded with the felicitation of winners and faculties by Dr. Amit Gupta, Chairman, JIMS Vasant Kunj, Dr. S K Dogra, Registrar, JIMS Vasant Kunj-II. Finally, the event was declared closed by Dr. Meenakshi Narula, Head, Department of Information Technology, JIMS, Vasant Kunj.

Learning Outcome:

1. Students participated in various IT based events and learned a lot under the competitive spirit
2. Team spirit and leadership skills were exhibited by all student event coordinators
3. Student from Delhi-NCR and other state colleges & universities got a technical platform for showcasing their technical skills.
