THE SWACHHTA PAKHWADA

EVENT CATEGORY: OFFLINE EVENT

DATE: 26 TH -30 TH SEPTEMBER 2022

**VENUE: INSIDE COLLEGE PREMISES
(JIMS VK)**

"The Swachhta Pakhwada" launched by Government of India, is a fortnight-long program observed to ensure mass participation of citizens in Swachhta activities and to truly transform Swachh Bharat into a citizen's movement.

Following this mission of the Government, The Eco Club of JIMS VK has pledged to make everyone aware of this idea.

DAY 1: CLASSROOM AWARENESS DRIVE

DAY 2: SLUM VISIT

Day 1: Eco Club kicked off the event, spreading awareness in classrooms about the upcoming activities, emphasizing the vital link between a clean environment and human health.

Day 2: Organized a slum visit to Children Wise NGO in Masoodpur, aiming to address hygiene issues among kids and shed light on the global problem through educational tours.

DAY 3: CLEANLINESS DRIVE

DAY 4: GUEST LECTURE

Day 3: Promoted cleanliness in society by engaging 52 committee members and volunteers in a household and surroundings cleaning initiative, emphasizing the role of a clean environment in physical and mental health.

Day 4: Eco Club hosted JNU professor Mr. Paulraj Rajamaini, who delivered a lecture on Urban Ecology, emphasizing the promotion of resilient and sustainable urban spaces that mitigate pollution and innovate in food production, transportation, and housing through various scientific methods.

DAY 5: We organized a poster making competition on the occasion of World Ozone Day. The Theme of the poster making competition was depletion of ozone layer and its effects in which our students show their creative skills and presented amazing posters.

SWACHHTA ABHIYAN

EVENT CATEGORY: AWARENESS EVENT

DATE: 7 OCTOBER, 2022

**VENUE: OUTSIDE CAMPUS OF JIMS,
VK**

Swachh Bharat Mission, Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. By inviting people to participate in the drive, the Swachhta Abhiyan has turned into a National Movement.

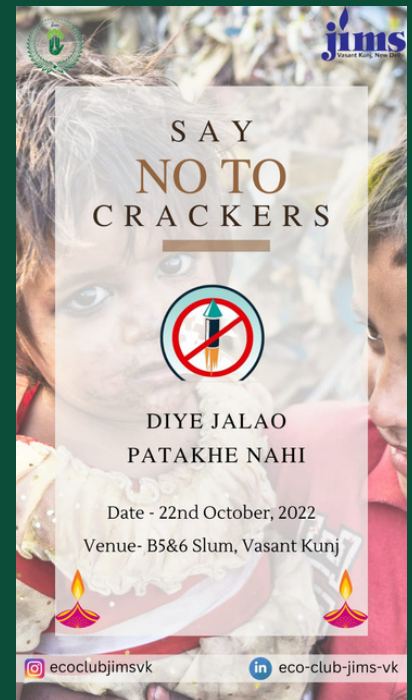

A sense of responsibility has been evoked among the people through the Clean India Movement. And to take this mission ahead the Eco Club of JIMS, VK organized the flagship event Swachhta Abhiyan outside college premises under the Swachh Bharat Mission launched by Prime Minister of India, Narendra Modi in the memory of Mahatma Gandhi. It was a purpose driven program aimed at creating awareness and cleaning the campus in which the members of Eco Club and some dedicated volunteers participated actively.

SAY NO TO CRACKERS AWARENESS DRIVE

EVENT CATEGORY: SLUM VISIT

DATE: 22 OCTOBER, 2022, SATURDAY

VENUE: B-5 SLUMS, VASANT KUNJ

On the occasion of Diwali, ECO CLUB JIMS, VK conducted "Slum visit" on 22 October, 2022 at "B-5 Slum Area" from 12:00 pm to 2:00 pm. It was conducted with the motive to aware these unprivileged kids on air pollution caused by burning crackers.

The event started by giving some candies to the kids to get a smile on their face. To spread awareness about air pollution we first educated them that how bursting crackers cause air pollution. Then we shared some alternative ideas to them that how they can still celebrate Diwali with the same enthusiasm by lighting diyas and decorate their homes using flowers and rangoli.

The team of 10 shared their happiness and good fortune with those who are less fortunate than others. With this the event ended with some cherished photographs of tiny tots and their esteemed faculty.

AWARENESS ON AIR POLLUTION

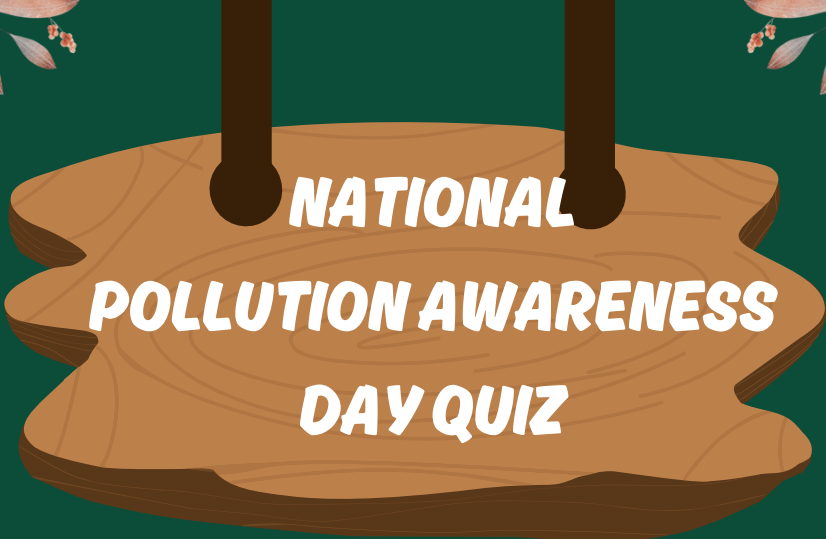

EVENT CATEGORY: AWARENESS DRIVE

DATE: 30TH NOVEMBER, 2022,

**VENUE: NEARBY ROADS OF
JIMS, VASANT KUNJ**

On November 30, ECO CLUB JIMS, VK organized an "Awareness Drive" on Air Pollution near our college from 12:00 pm to 2:00 pm. The initiative aimed to educate locals and Delhi residents on reducing air pollution through three campaigns. "Red light on gaadi off" advocated engine shutdown at traffic lights for traffic control and fuel conservation. "Same place one car" encouraged shared transportation to minimize pollution, carbon emissions, and costs. "Drive electric" promoted electric vehicles to reduce fossil fuel usage. The enthusiastic team actively engaged in educating participants, culminating in the event with documented efforts through photographs.

NATIONAL POLLUTION AWARENESS DAY QUIZ

EVENT CATEGORY: ONLINE EVENT

DATE: 2 DECEMBER, 2022

VENUE: ZOOM MEETINGS

Every champion was once a contender who refused to give up the Eco Club of JIMS, VK and the Institution of Innovation Council (IIC) had organized an online quiz event on the occasion of National Pollution Awareness Day. It aimed at raising awareness about pollution control measures and the prevention of industrial disasters.

National Pollution Control Day is honored every year on December 2. It honors those who died in the Bhopal Gas catastrophe on December 2nd and 3rd in 1984. To make this world a better place we must have proper information related to the pollution index of our country and we must also take into consideration some practices that will help us to control the pollution that we are emitting in our ecosystem day by day.

The quiz was formed using a Google form with a strict time frame. There were over 45 participants participating in this event and the overall event was engaging and a learning experience for all.

CHRISTMAS DAY CELEBRATION

DATE: 23RD DECEMBER,

2022

VENUE: SANKALP NGO

On 23rd December 2022, The Eco Club of JIMS, VK organized a visit to Sankalp NGO to celebrate Christmas. The motive was to spend some time with the children who study at the NGO and give them an opportunity to cherish this holiday. 20 students including members of the Eco Club and some volunteers visited the NGO.

The team went there bearing gifts for the children. The NGO had children with ages ranging from 5-13. The activities, like coloring, games, etc. were planned in a way which included the children of every age group.

The children were very happy with the visit of the volunteers and wholeheartedly participated in all the events organised by the volunteers, and were very happy to receive Christmas gifts from the volunteers.

NATURE AND PHOTO WALK

DATE: 18TH JANUARY, 2023

VENUE: SUNDER

NURSERY

On 18th January 2023, The Eco Club of JIMS, VK organised a visit to Sunder Nursery in collaboration with Apertura, JIMS VK to get in touch with the nature. This was done to understand the importance of the nature and the need to protect it. The 15 members of the Eco Club and environmental enthusiasts of JIMS, VK visited the Sunder Nursery.

Upon reaching the nursery, the students got maps of the nursery to make the visit easier. The scenic beauty of the nursery was admirable. There were different types of trees and flowers there. There was also a pond in the nursery. And the students clicked some scenic pictures and devoted in time in treasuring the beauty of nature.

In conclusion, the visit to Sunder Nursery organised by The Eco Club of JIMS, VK was very rejuvenating for the students, and it encouraged them to be closely attached to the nature in future as well.

INTERACTIVE SESSION ON EARTH DAY

EVENT CATEGORY: GROUP

DISCUSSION

DATE: 25 APRIL, 2023

VENUE: JIMS, VK

ECO CLUB ALONG WITH INSTITUTION'S INNOVATION COUNCIL OF JIMS VASANT KUNJ ORGANISES

INTERACTIVE SESSION

IN LIGHT OF
"EARTH DAY"

DIVANSHU BHOLA
(FOUNDER OF ECOISTIC PATHSHALA)

DATE - 25TH APRIL 2023
TIMINGS- 11 AM ONWARDS

On April 25, 2023, Jagannath International Management School's Eco Club and Innovation Council organized a guest lecture featuring environmental activist Mr. Divyanshu Bhola. Commemorating Earth Day, Bhola emphasized human responsibility in combating environmental depletion. He urged individuals to adopt eco-friendly practices and showcased success stories of impactful initiatives. Discussing technology's role, he highlighted its contributions to renewable energy and waste reduction. The lecture, attended by students, faculty, and enthusiasts, served as a crucial platform to raise awareness, instill a sense of environmental responsibility, and inspire sustainable practices for a conscious and proactive community.

JIMS Vasant Kunj, New Delhi Presents

National level Panel Discussion on Sustainability and Plastic Circularity

HONEYWELL EnviroSpark

SUSTAINABILITY STARTS WITH US

Celebrating **WORLD ENVIRONMENT DAY**

03 JUNE 2023
10:00AM to 12:45PM

Live Streaming On **JIMS Vasant Kunj, New Delhi**

#BeatPlasticPollution

Panelists: Dr. Ravi K Dhar (Director, JIMS), Hitesh Mehta (Regional Growth Manager, Honeywell), Vidya Gupta (Manager, R&D, JIMS), Anil Kumar Mittal (Head - Global Engineering Center, Honeywell Engineering Center), Suresh Babu L (Associate Professor, IIT Bombay), Astuti Jindal (Senior Software Engineer, Oracle India), Adwait Joshi (Senior Advisor, Institute of Sustainable Communities), Smita Pandey Mishra (Climate Scientist, IIT-Delhi-NCR)

On June 3, 2023, JIMS, Vasant Kunj, in collaboration with Honeywell and ICT Academy, orchestrated a National Level Panel Discussion on "Sustainability and Plastic Circularity" to commemorate Honeywell Envirospark on World Environment Day. The event featured eminent speakers, including Dr. Vidya Gupta and Mr. Hitesh Mehta from Honeywell, addressing STEM education and sustainability.

Dr. Meenakshi Narula welcomed attendees, emphasizing the seminar's importance in fostering environmental awareness. Panelists discussed topics such as reducing carbon footprints, technology's role in sustainability, and innovative solutions for plastic waste management. Mr. Hitesh Mehta, through an online address, urged individual contributions to a sustainable future. The session concluded with Ms. Divya Gupta expressing gratitude. The event's learning outcomes included heightened environmental awareness, recognizing challenges and opportunities for sustainability, and promoting individual and technological contributions to a greener future.
