Jagannath International Management School

Vasant Kunj, New Delhi - 110070

(Affiliated to Guru Gobind Singh Indraprastha University, New Delhi)

Grade 'A' accredited by NAAC & ISO 9001:2015 Quality Certified

Recognized u/s 2(f) by UGC

ASSIGNMENT – I

Session – 2020-2021

SUBJECT: DBMS

CODE: BCA-110

COURSE: BCA

SEMESTER - II

Q.1. Differential between the following (Also draw the diagrams where required)

- a) Physical Data Independence and Logical Data Independence
- b) Generalization and specialization

Q.2. Draw an ER Diagram of a University Database considering the following requirements:

The university offers one or more programs.

A program is made up of one or more courses.

A student must enroll in a program.

A student takes the courses that are part of her program.

A program has a name, a program identifier, the total credit points required to graduate, and the year it commenced.

A course has a name, a course identifier, a credit point value, and the year it commenced.

Student has name, a student identifier, date of birth, and the year they first enrolled.

When a student takes a course, the year and semester he attempted it are recorded. When he finishes the course, a grade (such as A or B) and a mark (such as 60 percent) are recorded.

Each course in a program is sequenced into a year (for example, year 1) and a semester (for example, semester 1).

Q.3. Why do we have constraints in database. Explain all the constraints in SQL which we can impose on database.

Q.4. Why is database approach better than earlier methods of storing data?

Q.5. Explain the DDL and DML commands with syntax and one example of each command.

The rubrics for evaluation is as follows

	5 Mark	4 Marks	3 Marks	2 Marks	1 Marks
Question1 a &b	Shows a thorough and thoughtful understanding of the concept with the help of the diagram using correct symbols for each term and provides all the expected differences.	Shows a comprehensive understanding of the terms with diagram but provides some of the differences and incomplete diagram	Shows a basic understanding of the Concept and also provides incomplete diagrams	Shows a limited understanding of the Concept and also does no provides the incorrect diagram or no diagram	Shows a little understanding of the Concept with no diagram.
Question2	Shows Full understanding of the entity and relationship and draws the diagram with all the correct symbols for ER-diagram	Shows Proficiency in drawing ER diagram with minor errors	Shows General understanding of ER diagrams with some of the incorrect diagram notations	Shows Very limited Understanding to draw ER diagram and uses incorrect symbols and notations	Does not meet the Requirements of level 2 not met
Question 3	Shows clear understanding of the concept of constraints in database by providing proper use of each constraint.	Shows understanding of the Concept but has some minor yet non-trivial gaps in their reasoning.	Shows partial understanding of the concept.	Shows poor understanding of the Concept by providing incorrect constraints definition or use.	The student did not understand the concept and provides incorrect or irrelevant definition and use.
Question4	Shows a thorough and thoughtful understanding of the concept	Shows a comprehensive understanding of the concept	Shows a basic understanding of the Concept	Shows a limited understanding of the Concept	Shows a little understanding of the Concept
Question5	Shows clear understanding of the DDL and DML commands in SQL with correct syntax and example queries of each command	Shows somewhat clear understanding of the DDL and DML commands with some minor yet non-trivial gaps in the syntax or example query.	Shows incomplete understanding of the commands with gaps in the syntax or example query.	Shows very limited understanding of the DDL and DML commands and provides incorrect commands in incorrect category but with correct syntax and example query	Shows no understanding of the DDL and DML commands with all incorrect syntax and examples queries.

Dear All,

Kindly send the following mail to the students of Batches 2018-21 and 2019-22 of your respective programmes with CC to Class coordinators and HOD.

Dear Student,

This is to inform you that the Class Test-1 exams are being conducted in **online mode** from 12-17 October 2020. Kindly note the following:

1. The date sheet and the important instructions for students to follow during the exams are attached herewith.
2. **Students must read the instructions carefully and should be prepared accordingly on the days of their exams.**
3. Students are requested to **kindly ensure a good internet connectivity and adequate bandwidth for no interruption during the examinations.**
4. If there are some technical issues to appear in the exam from your home then you may inform your class coordinator for appearing for the same from the institute.

ALL THE BEST FOR YOUR EXAMS!

With Best Regards,

Prof.(Dr.) MEENAKSHI NARULA

Guidelines for conduct of Class Test-I (12th -17th October, 2020)

Important Instruction for Students

1. CT-I will be conducted in online mode through ZOOM app.
2. Students are required to Login through their Class Zoom ID, 15minutes prior to the commencement of Examination.
3. Students must login with their name and eleven digit enrollment number for appearing in the exams otherwise they will not be allowed to appear in the exams.
4. Student must ensure that they remain online and logged in to ZOOM for the entire duration of the Exam i.e. from 15 minutes before the beginning of the Examination till end of the Exam and Log-Out after final submission of their answers.
5. Students should ensure that their web-camera and microphone are turned on during the entire duration of the exam.
6. Students are supposed to sit in such a manner that the web-camera clearly displays the student and a 1.5 feet area around them.
7. The exam will be of one and a half hour (90 Minutes).
8. Attendance will be taken during the exam.
9. The link for the examination paper will be provided during the exam.
10. Students will have to write some of the answers with pen and paper and will have to upload the scanned copy of their answers during the exams. Answers must be written in A4 sized sheets with Blue / Black Pen.
11. Students must have with them their stationary including blank A4 sized sheets and pens during the exams to avoid any wastage of time.
12. Students must strictly adhere to the time limit. Once time is over, students will not be able to submit their answers.
13. Students will not be able to access the exam paper once submitted.
14. Students are required to strictly follow cyber ethics and refrain from indulging in any malpractice.
15. If any student is found involved in cheating, copying or any other such activity, he/she may be booked under "Unfair Means" case.
