Sub: Request to declare the result of Siddharth Popli, Enrollment No. 44014201718 of BBA IV-Semester on the basis of Internal Marks of End Term Exam. June-July-2020.

Dear Sir /Madam,

This is with reference to the result of IV semester declared on the basis of internal assessment of all students in End Term June-July-2020 due to cancellation of end term examination amid COVID-19. This is to bring to your kind notice that the result of one of our student Siddharth Popli enrollment no. 44014201718 was not declared as he had not signed Registration Chart of 4th semester end term university exams and also had not paid the reappear fees of that RC for II semester exams, because of the pandemic and him being an outstationed student.

Thereby he was administered "Not Reported" in the RC and because of the same his name did not appear on the University Portal on which the institute had to upload the internal marks of the students. However, the student had given the internal exams of IV semester last year and we like to acknowledge that we have internal marks of Siddharth Popli of 4th semester and are sharing the same with the university.

His name also did not appear in the 4th semester reappear paper list issued by the university June-July 2021.

It is requested to kindly consider his case and declare his result of 4th Semester on the basis of internal marks as it was done for the batch 2018-2021 due to Covid-19. This will enable him to complete his graduation within the stipulated time. We recommend the case is genuine and must be given fair treatment.

His internal assessment of IV semester is attached herewith as annexure.

Sincerely,

Prof. (Dr.) Ravi K. Dhar

Respected Ma'am

I Muskan Dagar, BCA department 3rd semester wants to inform you that I was not able to give my first paper that is COMPUTER ARCHITECTURE which was held on January 28,2021(9:30-11am) due to technical issue.

As per the instructions I checked each and every requirement for attending the paper. I had all equipments installed but it was my bad luck that at 9:10 the camera stopped working due to which I had problem in logging . But I arranged another laptop and i tried to log in but after logging it was showing a message that you exam time has expired and it was only around 10:40 . I called wheebox for help they just said nothing can't be done they didn't helped me in this.

Maam i know that somewhere I am responsible whatever happened according to IP rules but maam this was something which was not in my hands also. The camera stopped working at that point of time where I cannot think of coming to college and give the paper because there was no time left.

Ma'am I have sent mail to Ip university several times regarding this issue and I am attaching the mail below.

I request you maam to please please please understand me and my situation as this technical issue will affect me in my future placement if I have to reappear next year maam and till now there's no paper in which I have failed or not attended.

I have always given my best maam.

Therefore I request you maam to please convey my message to IP exam controller.

If you will convey they will surely revert you back with a solution.

I shall be grateful to you.
