Report:

To know the development of society, Literacy is another proper indicator of economic development. India has raised its current literacy rate of 74.04% (2021) from 12% at the time of Independence in 1947, it still lags behind the world average literacy rate of 84%. Compared with other nations, the Republic of India has the largest illiterate population.

Rotaract Club of Jagannath International Management School, Vasant Kunj commenced a new initiative known as, Project "AKSHAR" under Project Hope organized by District Rotary Organization, RID 3012 on 1st August 2020 initially for 20 days with an aim at Right to Education for all children under the age of six to sixteen. Later, seeing the success of the event it was decided to extend the project.

The motive was to increase the support for the underprivileged children in education and share the power of valuable knowledge for the upliftment of the underprivileged children of our community.

The project corroborated the enthusiastic rotaractors, who volunteered to teach two subjects a day to classes 2nd to 11th, the teaching periods were divided among the volunteers for which a proper schedule was made. Subjects like Mathematics, English, and Science were taught to different sections & classes regularly with the help of electronic media platform (Zoom meeting & WhatsApp video calls).

We collaborated with Samidha, Lakshyam NGO, Childrenwise. 30 student volunteers to teach 40 students from classes 2nd to 11th, teaching subjects: English, Mathematics, and Science on the virtual media platform, Zoom.

This Project has helped in realizing how technology can be used to help underprivileged students to get access to quality and continued education, even in these tough times.

The exuberant student volunteers who have contributed their time & efforts to channelize their positive energies to the children and were acknowledged with Certificates from Lakshyam NGO and Rotaract Club of JIMS, Vasant Kunj.

We successfully carried out 20 days of educational and interactive sessions for 40 underprivileged children and now, we have the opportunity to spread knowledge and happiness to many more children.

Project Akshar was extended further and was carried throughout the year. There were many other activities that were conducted for these students under project Akshar.

Project Akshar inspires us to organize and indulge in this year-long journey in the crusade to make quality education accessible to all irrespective of their socio-economic backgrounds. We are planning to extend this project for the next tenure of 2021-2022 as well.

It was a red letter day in the history of India when our country got freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp's and shows. The main Program is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in School, College and University. We too were very eager to celebrate Independence Day at our campus with great zeal but due to the ongoing pandemic, we couldn't do it like every year. This year the flag was hoisted in the presence of teachers only, while the students saw the hoisting via Zoom online. All precautions were taken at the college campus. The flag hoisting was followed by recitation of Patriotic poems and songs. Speeches were also given by some students to commemorate the sacrifices made by our eminent leaders. Every student learnt the importance of Independence Day and realized the fact that it is because of the sacrifice made by our ancestors that we are breathing this air of an independent nation.

Topic: Birth Anniversary of Sardar Vallabh Bhai Patel

Date: 31st October 2020

Time: 1 to 2 pm

Venue: Zoom

Beneficiaries with number: Students (61)

Programme Officer: Dr. H. Khan

REPORT:

National Unity Day 2020 was celebrated in our campus to pay tribute to Sardar Vallabh Bhai Patel on his birth anniversary. He was an Indian politician who played a pivotal role in India's freedom struggle and then during the integration of Jammu and Kashmir with India, played an important role in convincing several princely states to align with Indian Union. Therefore, 31 October is celebrated to honor his efforts and contributions. In October, 2018, our Prime Minister had inaugurated the 'Statue of Unity', sculpted in Patel's honor in Gujarat. The Director and the Registrar addressed the students and highlighted the importance of celebrating the National Unity Day and the contribution of Sardar Vallabh bhai Patel for integrating the country. This year's theme of National Unity Day is "Bring the Nation Together, United in Times of Strife and Rising Extremism". This day was decided and introduced by the Central Government of India in New Delhi in 2014 in order to observe the birth anniversary of Sardar Vallabhbhai Patel every year as Rashtriya Ekta Diwas. It was aimed to pay tribute to him for his great efforts made to unite India.

Beneficiaries with Number: Students (6)

REPORT: -

On 28th February 2021, a team of 6 volunteers from the NSS Cell of JIMS Vasant Kunj visited an NGO based in Malviya Nagar to meet the children at the Jamghat NGO to interact and conduct recreational activities with them. They had a fun talk with the girls of the NGO after which the session initiated wherein various topics including gender equality, women empowerment, eve-teasing, were discussed.

After the session, in the remaining time, volunteers had a rendezvous session with the girls wherein all of them got to know each other a bit more. They all had a fun time conversing about movies, novels, and history to build a good relationship with them.

The main purpose of this visit was to make them learn things through games and simple activities, suited for children. So, we played few games like passing the parcel, situation-based reaction game, and had also had a storytelling session before leaving. Volunteers at NSS- Cell of JIMS, Vasant Kunj looks forward to organise more than events and thus put forward their role in the betterment of the society.

- a) To stress on how to maintain menstrual hygiene and to demystify several myths related to this topic.
- b) To be able to ensure safety in dangerous situations through the basics of self- defense.

REPORT: -

The International Women's Day, which is observed on 8th March 2021 worldwide was celebrated at Jangpura by the Robin Hood Army (Nehru Place branch) along with the NSS (National Service Scheme) Cell of JIMS Vasant Kunj providing assistance in the self-defense sector, on 8th March 2021. The event was organized to encourage all the women to keep excelling consistently and to keep moving every time.

Apart from this, the team informed the children about some crucial aspects related to menstrual health and hygiene. Hygiene combines health education for adolescent girls and keeping this in mind they provided the children with sanitary napkins. In addition to this, the volunteers of our cell proved to be useful to the Robin Hood Army thus forming a friendly mutual alliance with the organization. The drive ended on a peaceful and happy note with the hopes of having more such alliances and collaborations with Robin Hood Army and more such organizations in the future.

The project was an enormous success and a great achievement as can be seen in the pictures below and brought smiles to a lot of young and bright faces.

- To commemorate our country's achievements and sacrifices made by the soldiers and martyrs.

Report:

“Freedom is never given, it's won!” Indeed, freedom is something which has to be fought for. Independence Day brings a sense of pride, bravery and appreciation and takes us back to the time where our soldiers and freedom fighters fought fearlessly. So, to celebrate the victory of our brave soldiers we at JIMS VK decided to honor their sacrifices.

The celebrations began with the hoisting of our flag and other rituals, conducted in the presence of our director, Dr. Ravi K Dhar, faculty and the staff members in the college premises on the 14th of August 2021.

This was further followed by 'Jashn-e-Azadi', an Instagram live event on the 15th of August 2021. This was wonderfully hosted by Shourya Bhatnagar, the head of the NSS Core team. To grace the event, two recognized guests were invited. First guest speaker was Master. Sanyukt, a 13-year-old poet with so much potential and energy and the second guest speaker was Ms. Ananya who is a social activist and a great singer. While Sanyukt amused all of us with his poetry and reciting skills, Ananya's soothing voice made sure to make us feel the love and respect we have for our country. This was a very interactive and magnificent session, where the audience thoroughly enjoyed and motivated the speakers. Eventually, everybody enjoyed and thanked the guests for taking their time to be a part of this event. The NSS Cell aspires to work for the betterment of the community and to keep the nation's head as high as possible.
