#### **Report:**

To know the development of society, Literacy is another proper indicator of economic development. India has raised its current literacy rate of 74.04% (2021) from 12% at the time of Independence in 1947, it still lags behind the world average literacy rate of 84%. Compared with other nations, the Republic of India has the largest illiterate population.

Rotaract Club of Jagannath International Management School, Vasant Kunj commenced a new initiative known as, Project "AKSHAR" under Project Hope organized by District Rotary Organization, RID 3012 on 1<sup>st</sup> August 2020 initially for 20 days with an aim at Right to Education for all children under the age of six to sixteen. Later, seeing the success of the event it was decided to extend the project.

The motive was to increase the support for the underprivileged children in education and share the power of valuable knowledge for the upliftment of the underprivileged children of our community.

The project corroborated the enthusiastic rotaractors, who volunteered to teach two subjects a day to classes 2<sup>nd</sup> to 11<sup>th</sup>, the teaching periods were divided among the volunteers for which a proper schedule was made. Subjects like Mathematics, English, and Science were taught to different sections & classes regularly with the help of electronic media platform (Zoom meeting & WhatsApp video calls).

We collaborated with Samidha, Lakshyam NGO, Childrenwise. 30 student volunteers to teach 40 students from classes 2<sup>nd</sup> to 11<sup>th</sup>, teaching subjects: English, Mathematics, and Science on the virtual media platform, Zoom.

This Project has helped in realizing how technology can be used to help underprivileged students to get access to quality and continued education, even in these tough times.

The exuberant student volunteers who have contributed their time & efforts to channelize their positive energies to the children and were acknowledged with Certificates from Lakshyam NGO and Rotaract Club of JIMS, Vasant Kunj.

We successfully carried out 20 days of educational and interactive sessions for 40 underprivileged children and now, we have the opportunity to spread knowledge and happiness to many more children.

Project Akshar was extended further and was carried throughout the year. There were many other activities that were conducted for these students under project Akshar.

Project Akshar inspires us to organize and indulge in this year-long journey in the crusade to make quality education accessible to all irrespective of their socio-economic backgrounds. We are planning to extend this project for the next tenure of 2021-2022 as well.

The United Nations Food and Agriculture Organisation estimates that every year more than 40% of food produced is wasted in India. India stands 94th on the global hunger index. Globally, about 8.9% of the world's population (around 690 million people) go to bed on an empty stomach every night. Since 2014, the no. of people affected by hunger has been increasing gradually. If it continues at this rate, it'll exceed 840 million by 2030.

Rotaract Club of JIMS Vasant Kunj had organised a Food Donation event, in the name of MahaBhandara. This event was conducted from the 8<sup>th</sup> of November, 2020 to the 14<sup>th</sup> of November, 2020, with 65 student volunteers. MahaBhandara was an extension of the club's previous event Zero Hunger. The major motive was to help those people who need food. The

#### Report:

Strong people stand up for themselves, but stronger people stand up for others and our Rotaractors are the strongest when it comes to helping others.

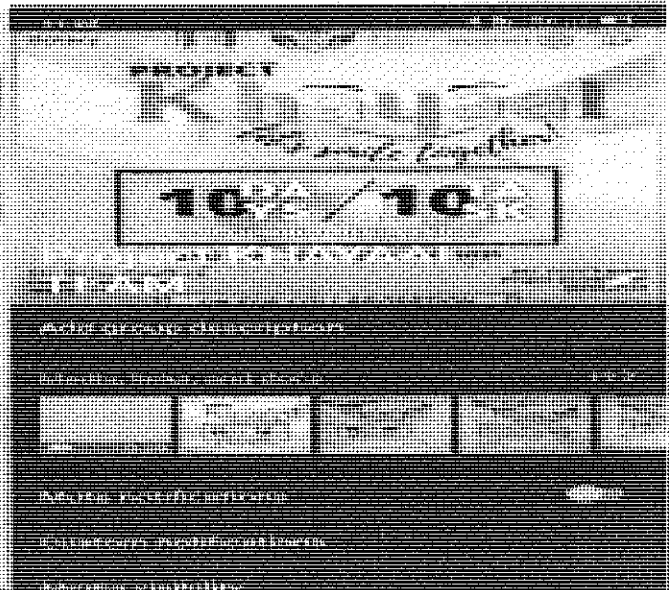

Rotaract Club of JIMS, Vasant Kunj organized a 10-Day Project "KHAYAAL" along with Rotaract District Organisation 3012, aiming to create awareness and thoughtfulness amidst people about their surroundings. It was all about acknowledging, recognizing, and showing gratitude to those who make efforts to make our community clean, help save lives and show immense appreciation for all that we have, our parents, nature, all the services which have been provided throughout our life.

Project Khayaal highlighted the art of giving and showing gratitude for everything we have and also in these 10 days, major social issues like hunger, stray animals, and ragged clothes were addressed and proper solutions were given by our enthusiastic participants. Rotaractors took

heartfelt initiatives to perform the 10 days of selfless actions towards making the world a better place through nurturing and care of all that is around us. 100 students volunteered for the event. It was a very successful project where every rotaractor contributed to making a small difference for the better each day.

## **Report**

### **Ration Donation in Blind School**

**Event Category:** Community Services

**Date:** 2<sup>nd</sup> March, 2021

**Venue:** Rashtriya Blind Hostel and Training Center, Dwarka

**Number of students Participated:** 72

**Organising Unit/Collaborating Agency:** Rotaract Club of PCTI

**Faculty Coordinator:** Dr. Anu Bhardwaj

#### **Report:**

Rotaract Club of JIMS Vasant Kunj donated Ration to Rashtriya Blind Hostel and Training Centre on 2<sup>nd</sup> March 2021. Surprises were arranged for them and various fun-filled interactive activities were also planned. In the end, their smiles touched our hearts to the core. It was a great feeling when the team met all the students living there. Contributions were made to 72 students and many of them also visited the blind school. The moment we went inside the school, our first question was how do blind people experience the world? So, we asked this question to the schools incharge. His reply was inspiring. Normal people observe visual happenings and eyes are the sources for their knowledge. But visually impaired people will put their other senses into alertness. They touch and identify a specific object, and while crossing the roads or walking outside the school they observe the sounds around them. This made us realize that our weakness will never make us weak but if we stay positive then definitely it will make our strengths

stronger. We got connected with the kids and learned a lot of lessons from them. They all were an inspiration for us.

#### **Report:**

Rotaract Club of JIMS Vasant Kunj had organised another Food Donation event, in the name of MahaBhandara under the project Zero Hunger. This event was organized on 14th of March, 2021. MahaBhandara was an extension of the club's previous event Zero Hunger. The major motive was to help those people who need food. The club has organised MahaBhandara in North-South-East-West Zones of Delhi with the help of 53 student volunteers. This time it was organized on a larger scale, where food donation was done to more than 1500 people. This was done with team support. The main motive behind this event was to help more people who need food. To our surprise, as soon as we created Zonal Whatsapp Groups, all the four groups were filled immediately. Their enthusiasm had kept us energetic throughout the event. It was a pleasure to make others happy. Student Volunteers had brought snacks, biscuits, chocolates, and many other edible items. The event ended on a happy note.

#### **Report:**

In Delhi, 13.8L people have been affected by Covid 19 and 12.9L people have been recovered. Rotaract Club of JIMS Vasant Kunj had started a campaign on social media to create awareness on Mental Health in the month of May.

Mental Health awareness takes very important role as things like stress and depression can lead to a lot of fatal health issues and may even result in suicide in extreme cases. Being mentally healthy increases the longevity of your life as you experience more joy and satisfaction. Therefore, we have posted reels relating to mental health on our Instagram handles for 5 days. 25 student volunteers were involved in spreading the message through official social media handles and also through their personal accounts We received a lot of positive feedback from our followers. It is important to stay both physically and emotionally fit to overcome the obstacles.

We ended the event with a beautiful quote, let's stop comparing our behind-the-scenes to someone's highlight reel. Everyone has a difficult phase in their life, let's keep our minds healthy.

*'Gift of education is for all'*

"Project- Saahas" an initiative that focuses on providing basic education to underprivileged children. "One day" to give the precious gift of education. This project aims to impart one to one knowledge to the kids of the NGO, channelizing them into the correct path of life, and making them valuable assets for our society. In July project Akshar completed its one year. To celebrate this special day, Rtr. Palak. Gupta gave an interactive session on the topic '*Personality Development*' via zoom with the kids of Childrenwise NGO. Everything can be stolen from you like money, land etc. But the only thing which cannot be stolen from you is your knowledge.

The idea behind the project was to motivate the student not to sit back and add on their learning on the continuous basis. It was an interactive session where student volunteers along with the children attend the session and discussed various issues.

Rotaract club of JIMS Vasant Kunj is working on "Project Hope". This project was started on 1st of July -27 July 2021, by PDRR Rtr. VARDA SARDANA.

H.O.P.E- Manifestation of aspiration towards creating a better tomorrow. We manifested our little ray of sunshine for the world in this tough time. One jovial project- 20 days of HAPPINESS, KINDNESS and HOPE.

This project Involved 3 Sub Projects:

- a) Project Zero Hunger
- b) Project- Power Of Ponytail
- c) Project Aaina

## Project Zero Hunger

*'If you want to eliminate hunger, everybody has to be involved.'*

Rotaract Club of Jims Vasant Kunj has organised "**Project- Zero Hunger**" from 1 July 21- 8 July 21, under *Project- Hope*. Project Zero Hunger is a small step to eliminate hunger in Delhi. In this pandemic, the Hunger rate has increased drastically as many people have lost their jobs. Project coordinator allocated the dates along with the names of the members. This lively one-week project aimed to provide at least one full meal to the needy. Club members performed their food donation drive at individual level at their nearby localities. 112 student volunteers of the club served the by donating/feeding packed foods, frooties, biscuits, homemade food, dry ration and many more food items to the people who were in need of food, due to pandemic. It was a delightful event as our club had covered 200 people and hopefully we will continue to do this activity.

### **Project- Power of Ponytail**

#### *'Don't waste it, donate it'*

Another Project which is growing under Project Hope is "**Project- Power of Ponytail**" from 12 July 21- 16 July 21. The project Aims to spread awareness about the importance of hair donation for cancer patients. Worldwide, cancer was the leading cause of death. In 2020, nearly 19.3 million people, have lost their lives. The club took a step towards this virtuous project by spreading awareness through Instagram reels, where the sensitization of the cause was done. 30 volunteers actively promoted the idea through the social media handles of the club and also through their personal account. The idea was to make as many people aware as possible. In this event, social media was extensively used to create awareness and to prove that it is not about the exploitation of technology but service to the community. We got a tremendous response from our followers and many people came up to donate their hair. All the volunteers of the club actively participated to spread the message.

## Project Aaina

*'Sex is important, but what if phobia adds on?'*

Another bud of the Project- Hope is **"Project Aaina"** from 19 July 21 -23 July 21. The aim of the project was to provide 'sex education' to the people. As we all know that sex is an important part of life and overall, well-being. This project was an attempt to make people aware about the 'sexual phobias' via creating and posting reels on Instagram and other social media handles. 18 volunteers actively promoted the idea through the social media handles of the club and also through their personal account. The idea was to make as many people aware as possible.

#### **Report:**

Throughout the world, about 900 million trees are cut down annually. This equates to about 2.47 million trees being cut down every day. As we all know, in 2020, Brazil's Amazon rainforest had suffered the worst fires in a decade. And let's not forget Australia's bushfire which was catastrophic. Billions of animals were injured and Millions of trees were burned. As humans we cannot stop the fires but definitely, we can do something to compensate for the loss.

Therefore, the Rotaract club of JIMS, Vasant Kunj organized a Plantation drive on 27<sup>th</sup> July 2021 at Sanjay Van, New Delhi. The chief guest was Dr. Ravi K Dhar Sir (Director JIMS Vasant Kunj). The objective of the tree planting program was to create an awareness among the student community about the role played by trees in environment protection. New committee members were very excited and enthusiastic to execute this event. They tried their best to contribute to this

event, and they were very cooperative. And with the guidance of our mentor Dr. Anu Bhardwaj we were able to organize this event perfectly. Everyone participated in the drive with equal energy and helped each other in planting saplings.

Our club completed the target of planting over a 1000+ saplings and with the help of our team of 95 student volunteers and faculty coordinators.

After plantation our team bonded with each other and with our faculty coordinators over some warm snacks and all together ended the drive on a positive note.

### **REPORT**

It was a red letter day in the history of India when our country got freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp's and shows. The main Program is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in School, College and University. We too were very eager to celebrate Independence Day at our campus with great zeal but due to the ongoing pandemic, we couldn't do it like every year. This year the flag was hoisted in the presence of teachers only, while the students saw the hoisting via Zoom online. All precautions were taken at the college campus. The flag hoisting was followed by recitation of Patriotic poems and songs. Speeches were also given by some students to commemorate the sacrifices made by our eminent leaders. Every student learnt the importance of Independence Day and realized the fact that it is because of the sacrifice made by our ancestors that we are breathing this air of an independent nation.

*Director Ravi. K. Dhar(Director) hoisting the flag with faculties*

*Dr. Ravi .k Dhar (director) addressing the audience*

This was followed by a short speech from our Director Dr. Ravi K Dhār. He also told students about the supreme sacrifice of the great martyrs who gave their lives for the sake of freedom. He also said that freedom was very precious and it was very necessary to all.

**Beneficiaries with number:** Students (61)

### **REPORT:**

National Unity Day 2020 was celebrated in our campus to pay tribute to Sardar Vallabh Bhai Patel on his birth anniversary. He was an Indian politician who played a pivotal role in India's freedom struggle and then during the integration of Jammu and Kashmir with India, played an important role in convincing several princely states to align with Indian Union. Therefore, 31 October is celebrated to honor his efforts and contributions. In October, 2018, our Prime Minister had inaugurated the 'Statue of Unity', sculpted in Patel's honor in Gujarat. The Director and the Registrar addressed the students and highlighted the importance of celebrating the National Unity Day and the contribution of Sardar Vallabh bhai Patel for integrating the country. This year's theme of National Unity Day is "Bring the Nation Together, United in Times of Strife and Rising Extremism". This day was decided and introduced by the Central Government of India in New Delhi in 2014 in order to observe the birth anniversary of Sardar Vallabhbhai Patel every year as Rashtriya Ekta Diwas. It was aimed to pay tribute to him for his great efforts made to unite India.

### **REPORT:**

With the motive of the overall development of a child, NSS- Cell of JIMS, Vasant Kunj collaborated with NIIT and Rotaract District 3011 to educate the underprivileged students and help them get a certificate in the field of their interest by the NIIT. Volunteers at NSS were very eager to teach those underprivileged students. NSS- Cell of JIMS, Vasant Kunj supported the idea of NIIT to give an opportunity for the underprivileged by providing them free job-oriented courses in the fields of their interest. Those who enrolled for the courses and completed it were provided with a certificate by the NIIT which will prove very beneficial for them at the time of their job application.

NSS- Cell volunteers were very happy and satisfied with the response they received with this project. We received almost 70 registrations of the people who were willing to work on themselves in order to make our youth and eventually the country, self- sufficient. Every member who registered successfully completed their course in the field of their interest and were later provided with their certificate. NSS Cell of JIMS Vasant Kunj had organized a project aimed at providing leads related to all the resources ( availability of ambulance, vacant beds, oxygen, food, plasma, etc.) required amidst COVID-19.

This project is conducted through social media platforms, we posted stories with verified leads. Around 30+ volunteers came forward, and took initiative, and contribute actively. Hence, it is extremely important for one and all to constantly develop and evolve for the betterment in every context.

We received positive responses from our enthusiastic participants and the public as well. In troubled times like these, we are not just engulfed by a global pandemic, but also by a host of negative news, financial struggles, mental health decline. We must not stop ourselves from helping others. This initiative was a big success and was concluded with the hope and scope for more such projects and community service in the future.

**REPORT: -**

NSS Cell of JIMS Vasant Kunj had initiated Project AVGAT to educate the youth on the less discussed topic. The event was started on 10 June, 2021 on the official Instagram handle of NSS-Cell of JIMS, Vasant Kunj. It's an initiative to aware the youth and adults about the importance of Sex Education and enlighten them about the growing need for good sex education. The event took off with the distribution of a google form within the students. All the participants responded very well. They students were further informed about multiple sexual psychosocial risks and protective factors affecting sexual risk behaviors (e.g., knowledge, perceived risks, values, attitudes, perceived norms, and self-efficacy). Focused narrowly on specific behaviors leading to health goals (e.g., abstaining from sex or using condoms or other contraceptives), gave clear messages about these behaviors, and addressed situations that might lead to them and how to avoid them, and focused on the prevention of STDs, HIV and/or pregnancy.

Volunteers at NSS- Cell of JIMS, Vasant Kunj were very willing to come forward and help people aware regarding this less talked topic and to let people know it is something which should be discussed.

### Learning Objectives:

- To commemorate our country's achievements and sacrifices made by the soldiers and martyrs.

### Report:

“Freedom is never given, it's won!” Indeed, freedom is something which has to be fought for. Independence Day brings a sense of pride, bravery and appreciation and takes us back to the time where our soldiers and freedom fighters fought fearlessly. So, to celebrate the victory of our brave soldiers we at JIMS VK decided to honor their sacrifices.

The celebrations began with the hoisting of our flag and other rituals, conducted in the presence of our director, Dr. Ravi K Dhar, faculty and the staff members in the college premises on the 14<sup>th</sup> of August 2021.

This was further followed by 'Jashn-e-Azadi', an Instagram live event on the 15<sup>th</sup> of August 2021. This was wonderfully hosted by Shourya Bhatnagar, the head of the NSS Core team. To grace the event, two recognized guests were invited. First guest speaker was Master. Sanyukt, a 13-year-old poet with so much potential and energy and the second guest speaker was Ms. Ananya who is a social activist and a great singer. While Sanyukt amused all of us with his poetry and reciting skills, Ananya's soothing voice made sure to make us feel the love and respect we have for our country. This was a very interactive and magnificent session, where the audience thoroughly enjoyed and motivated the speakers. Eventually, everybody enjoyed and thanked the guests for taking their time to be a part of this event. The NSS Cell aspires to work for the betterment of the community and to keep the nation's head as high as possible.
