## Action Taken of the IQAC Meeting held on 28.08.2021

S. No.	Point	Action Taken
1.	Mr. Sanjay Singhal suggested incorporating more professional certifications like Microsoft/Oracle/Salesforce / SAP certifications so that more corporate can participate in placement. He emphasized students will be benefitted from this by included multiple specialization.	The following has been initiated to provide students multiple specialization: a) Dr. Narula as the BCA Programmer Coordinator of GGSIP University has been instrumental in the change of the BCA Curriculum w.e.f. current academic session 2021-22 and the new curriculum has multiple specializations for the students. b) The institute has registered for UI Path academic alliance to provide education/training to the students on Robotic Process Automation(RPA)

3.	Invite some active Accelerator Funding, India Angel Network and Venture Capital (VCs) funds for collaboration with JIMS and organize Hackathon with them.	Signed an MOU with MentorX: They help us to connect to various angel investors and VCs. Also, they will mentor our students.
4.	Mr. Naresh Dubey suggested to focus more on practical learning from the second year onwards so that students can be more exposed to entrepreneurship.	1. We involve our students from the 1st year onwards for practical learning and entrepreneurship through various clubs and councils such as JIMS E-Cell, JBIC, and IIC which are dedicated to startups and entrepreneurship. 2. Conducted various Guest Lectures, Pitch competition, IPR workshops, Hackathon and E-summit. 3.
